

*It's true...*

CAE-trained pilots are in demand.

Become an airline pilot at the highest standards. Train with CAE at Sabena Flight Academy.

Sabena Flight Academy is part of the CAE Global Academy, the largest entry-level professional flight network in the world. There's a school near you.

We are now registering for 2011 classes at a very competitive price.

*ATPL Integrated training including an extensive Multi-Crew Coordination course.*
